NEW

Lo scorrevole Innovativo

Lineatek New è la finestra scorrevole che unisce la praticità di un sistema standard alle prestazioni di una battente.

Grazie al taglio termico da 34 mm e alla vetratura fino a 36 mm, garantisce eccellenti livelli di isolamento termico e acustico.

Le linee pulite e il nodo centrale ridotto esaltano il design, mentre la maniglia integrata con chiusura multipunto assicura funzionalità e comfort in ogni movimento.

LINEATEK NEW
The Innovative Slide

Lineatek New is the sliding window that combines the convenience of a standard system with the performance of a casement window.

Thanks to the 34 mm thermal break and up to 36 mm of glazing, it guarantees excellent levels of thermal and acoustic insulation.

The clean lines and reduced central section enhance the design, while the integrated handle with multi-point locking ensures functionality and comfort with every movement.
